***COMPELLING EXECUTIVE PORTRAITS
FOR WOMEN AND MEN WHO ARE BOLD,
DREAM BIG AND MAKES THINGS HAPPEN.***

Nowadays, *basic professional headshots are not enough* to get you really noticed.

Through your business portraits, you need to convey a strong sense of persuasion, of trust, to empower and instigate growth & progress. We need to feel your presence and your « joie de vivre »!

We all know the positive impact of a strong and convincing brand, and **YOU** are at the core of your own **PERSONAL BRAND**.

You are the essence of your career or business growth.
You are what appeals and attracts the right opportunities & the right people to you.

Your executive portrait is the central part of it : **IT'S LIKE YOUR OWN LOGO**.
Whatever the stage of your career, I believe that your professional reputation should not be left up to chance, so I create the highest standard of personal branding imagery you deserve.

Your online presence sets the scene to create offline opportunities.
That's why it matters. A lot.

These portraits will also transform the way you feel about yourself and trigger the self-esteem and the pride of the career you are building, and of the person, you are becoming.

They will reflect your presence, your vision and your determination to achieve higher career grounds.
